

# Flip<sup>®</sup>top

[www.fliptop.se](http://www.fliptop.se)

---

Roof systems for Containers and Tippers.

---

## Flip<sup>®</sup>top - Gear

This Fliptop system is manually opened.

Fliptop - Gear opens from one side and folds together on the opposite side. Our assembly kits include a detailed instruction and all necessary parts. Fliptop system can be ordered with an insulated or uninsulated cover. The complete system has a hot-dip galvanized zinc coating to ensure best durability and a minimum of maintenance.

# GEAR

This Fliptop system is manually opened.
